Ms. Kao Mao's family is one of the vulnerable families in Prey Peay Village. The family faces significant challenges due to their limited income, inadequate housing conditions, and lack of financial resources to build a safe and secure home, particularly as they prepare to welcome a newborn child in the future (fail off baby a few weeks).

Although the family already has land available for construction, their financial situation prevents them from building a suitable home on their own. Housing assistance from Global Village Housing (GVH) would provide the family with a safe, stable, and dignified place to live.
